The world's first vermouth, created in 1786 from Antonio Benedetto Carpano's original recipe.

Welcome to Restaurant Loistorante!

At Loistorante, the passion and traditions of Italian cuisine come together beautifully with the finest ingredients from the northern sea. And not only in our food, but in our drinks as well.

In Italy, the aperitivo is an essential part of the dining tradition. It awakens the appetite and sets the stage for the culinary experience to come.

Traditional aperitivi include Italian sparkling wine Prosecco, handcrafted cocktails, aromatic vermouths and the noble spirit Grappa.

Benvenuti e buon appetito!
